ACB Summer Intensive – FAQs

Q. Do you anticipate that all of the classes on the Summer Intensive Schedule will remain on the schedule?

A. Although each year is different, in past years some classes on the schedule did not meet the minimum enrollment and required that we either add a small class premium or cancel the class. That is why it is critical that parents complete their summer registration forms as soon as possible. Once a class is removed from the schedule, it is unlikely that it will be returned to the schedule as a result of late registrations. Note that tuition is refunded if a class is cancelled.

Q. When will we know which classes will remain on the schedule and which will be cancelled or have a small class premium?

A. We will communicate the status of classes on or about June 15th, or sooner if it is clear what the outcome of a class will be.

Q. Can I complete my registration form on time and pay the 50% tuition at a later date?

A. Your registration is not “Complete” until your payment is received. You will have to pay a registration fee and/or late registration fee if your payment is received after the dates published.

Q. What if my vacation plans change after I register, can I get a refund?

A. Unfortunately, Summer Intensive tuition and registration fees are non-refundable. Decisions on which classes will remain on the schedule, which classes will be cancelled, or which classes

will have small class premiums are made based upon your enrollment commitments. Allowing students to withdraw from summer classes with refunds puts the school in an unsustainable position.

Q. When will I know if my dancer is moving up to a new level at the end of the year?

A. Note that not all dancers will advance levels each year. Levels for the summer and the 2018-19 dance season will be communicated by June 2nd.

Q. In case of a family emergency, like a death in the family, are refunds offered.

A. As stated in the Summer Registration Form, there are no refunds. In cases of family emergencies, like a death in the family, at the discretion of the ACB Management, a partial credit may be applied to your fall tuition.

Q. Do you know which instructors will teach which classes?

A. Final assignment of instructors will be completed as soon as possible. Look for a color - coded schedule on the ACB bulletin board. Keep in mind, instructor assignments are always subject to change.
